The Church Where
"Where Everybody is Somebody"

Yet hope returns when I remember this one thing: the Lord's unfailing love and mercy still continue, fresh as the morning, as sure as the sunrise. *Jeremiah 38:1-13*

Daily Prayers Dissolve Your Cares

Dear God, help us to remember, ever in our darkest moments, that you will never fail us. You are always faithful. Your mercies are new every morning. Amen

Thought for the Month

God is greater than the circumstances that imprison us.

-Out of the Pit-

Jeremiah knew what it felt like to flounder in a pit with no way out. The Lord told Jeremiah to warn the people of Jerusalem, but Jeremiah's enemies tried to silence him by dropping Jeremiah by rope into a waterless cistern. They left Jeremiah there to die. He sank to muddy bottom. The king's servant Ebedmelech heard about Jeremiah's plight and told King Zedekiah, "He is likely to die from hunger." The king ordered his servant to take three men and pull Jeremiah out. Ebedmelech and the men dropped ropes to Jeremiah and pulled him out of the cistern.

Many times in my life I've felt like Jeremiah, unable to see any way out of my troubles. I've felt as if I were trapped inside a deep muddy pit whose slippery walls I could not climb. God offered me hope in my darkest times assuring me of love that never fails and mercies that are new every morning. I clung to hope, knowing that God has a way out for me. He did!

Father's Day

Over the years as we grow old,
we remember our father so brave and bold.

In the garden, leaning on the plow,
He would listen to me; I see him now.

He would give advice and understand;
He was always there to lend a hand.

God made fathers Strong and firm,
for he knew our lives would have great concerns.

So he gave us fathers to teach us to pray,
and guide our lives, and show us the way.

So on his day let's take the time
to say "Thanks, dad. I'm glad you're mine."

HAPPY 
Father's Day

Quotes About Fatherhood

Every father should remember that one day his son will follow his example rather than his advice.

Becoming a father is one of the most important, exciting, absorbing and life-changing events in a man's life. There is nothing like it, and nothing that can fully prepare you for it

What I would like to say is something so simple that it can be done in just two small words: Be there. Those seven letters encompass the Tao of fatherhood.

My father taught me that the only way you can make good at anything is to practice, and then practice some more.

Father You don't raise heroes, you raise sons.

To her, the name of father was another name for love.

Little Johnny's Corner

-Little Johnny and His Mommy-

Little Johnny was sent back to bed for the tenth time that evening and his mommy is not amused. Little Johnny mommy says, If I hear one more time "Mommy" I want this, mommy, I want that, you will be in big trouble! I don't want to hear the word mommy again tonight. Now off to bed you go. There's a short pause, after which Little Johnny says, hesitantly, **Mrs. Smith**, I want a glass of water please.
